

Sprout Film Festival Sponsorship Recognition Packages

About Us:

Full Access, a non-profit organization since 2002, provides case management services to roughly 500 clients with intellectual and developmental disabilities in Lane County, ensuring they have access to crucial community resources to meet their needs and goals.

Where Your Donation Dollars Go

Since 2009, Full Access has annually hosted the Sprout Film Festival, showcasing films by and starring individuals with intellectual and developmental disabilities (I/DD) to break stereotypes and foster awareness. Your sponsorship directly supports our vision of organizing inclusive community events that create safe, enjoyable spaces and strengthen connections between our I/DD community and the broader community. Funds go towards keeping this event free and open to the public, ensuring the festival's impact for years to come. Join us in championing diversity, inclusion, and empowerment through the arts.
