BETTER WAY OF LIFE FUND (BWOLF)

Since Full Access is state-funded, donations to our Better Way of Life Fund (BWOLF) directly support clients when other resources fall short. BWOLF helps with essential needs like first month's rent, health and safety concerns, or goals like learning to drive. Your support makes a big difference! Check out our social media for client success stories and to learn more about BWOLF's impact.

Meet Dale!

Dale's journey to getting his driver's license began last May when he enrolled in Lane County Driving School using BWOLF funds. After six weeks of hard work, he used savings from his job at Dave's Hot Chicken to buy his own car. Last summer, after a year and a half of determination, Dale finally achieved his goal. His advice: 'Break big goals into smaller milestones and tackle them one by one.' Go Dale!

SPECIAL THANKS

SPROUT
FILM FESTIVAL

Visit Sproutflix!

Thank you to the original Sprout Film Festival for inspiring us to bring their incredible mission to Oregon. Since 2009, Sproutflix has curated over 290 films that celebrate the lives and stories of people with intellectual and developmental disabilities, showcasing their rich and diverse experiences. We are deeply grateful for our partnership with them and the opportunity to share their impactful work here.

Thank you to The Arc Lane County for hosting our event at their fantastic Arc Park. This inclusive park ensures that all children have the chance to play, socialize, and use their imaginations. While local playgrounds are great for many kids, they often have barriers that make them inaccessible for children with disabilities. Arc Park removes these barriers, providing a welcoming space for every child to enjoy.
